Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

Jules Verne

Five Weeks in a Balloon

Join three intrepid explorers as they seek to cross and explore the continent of Africa from Indian Ocean to Atlantic Ocean, except they're doing it by hot air balloon. Scholar and scientist Samuel Ferguson, his manservant Joe, and his friend Richard "Dick" Kennedy engage in this mighty scientific feat, as they face danger after danger, enjoy adventure after adventure, and experience the literal highs and lows of Africa from the view of a hot air balloon.
